**Boards and Commissions.** The Glendale City Council recently appointed several residents to serve on advisory boards and commissions. Congratulations and many thanks Cactus District resident, Ricki Ray who was appointed to chair the Commission on Persons with Disabilities.

Glendale's 18 boards and commissions assist the City Council in making important policy decisions that impact the community. These volunteer citizen advisory groups research, study and discuss specific Glendale projects and issues and then forward their recommendations to the City Council.

To request an application to serve on a city advisory group or for more information, call the Council Office at (623) 930-2249. Board and commission members must reside in Glendale.

**Your Opinions Requested.** Many of you have read or seen news reports about a casino the Tohono O'odham Nation intends to build at 91 and Northern avenues. Please contact me with your thoughts and opinions on this or any matter you wish to express.
